

Multicultural Advisory Committee for the Bloomington Police Department

The Bloomington Police Multicultural Advisory Committee (MAC) is an opportunity for people who live, work, or worship in the City of Bloomington to work with the Police Department on ways to connect with the multicultural communities.

This group will be reflective of the diversity in Bloomington, which will help to get input from all of our communities.

If you are interested in being involved in events, outreach activities, problem solving, and building partnerships between the multicultural communities and the police, then **WE WANT YOU!!!**

Persons interested in serving on the Multicultural Advisory Committee must pass a criminal background check and be interviewed by representatives of the partnering agencies. The deadline for applying is ongoing. If you have any questions, please contact Doug Belton at 952-563-8858 or dbelton@bloomington.mn.gov. If you are interested, please fill out and return this form to:
